LEGAL

The following Lite Paper consists of information given for discussion purposes only and does not represent investment advice of any kind. Further, it does not constitute an offer to sell shares or securities nor does it constitute a solicitation to buy such shares or securities. None of the information found within is intended to influence any investment decision nor should it be the basis of an investment decision of any kind. Investment advice for investment in any security, or any tax or legal advice should only be given by an investment advice firm, and TRAINTOKEN is not an investment advice firm. TRAINTOKEN encourages readers to seek appropriate and independent professional advice to inform themselves of the legal requirements and tax consequences of any investments they make, both within TRAINTOKEN _and within the blockchain industry as a whole. Investments should only be done with the help of an independent financial advisor within context of the countries of their citizenship or residence, and their place of business with respect to the acquisition, holding or trade in TRAINTOKEN or any other tokens. Please note that this Lite Paper does not constitute an offer to sell, or the solicitation of an offer to buy, for any person for whom it may be unlawful to participate in a token sale. Those for whom it is unlawful to participate should not participate. Consult with your own lawyer or accountant to determine whether it is lawful for you to participate in this token sale. This Lite Paper should in no way be construed as being intended to create a contract for investment. This Lite Paper (edition 1.0) may be revised, with the newest edition always appearing on our website. For each revision cycle, we will provide notes on what has changed the justification for the change. Updated versions of the Lite Paper (as indicated by consecutive edition numbers) may contain information which may override, clarify or contradict previous editions, in which case the latest version should be considered the most accurate and up to date. Because of this, versions which are found outside of the official TRAINTOKEN website may contain out-of-date or inaccurate information. The most up-to-date version of the Lite paper can be located online at TRAINTOKEN.NET

TOKENOMICS

TRAINTOKEN smart contract applies a 10% fee on all transactions (buys/sells). Out of this, 5% is automatically distributed to holders, without farming! This means the amount of tokens in your wallet will forever increase as people transact. Smart contract also takes 5% of each transaction and automatically adds it to the liquidity pool. The liquidity pool will continuously increase, which leads to a higher price floor of TRAINTOKEN.

This is what TRAINTOKEN aims to accomplish: You don't have to farm, stake or deposit your TRAINTOKEN. Simply hold it in your wallet and you will get more

COMMUNITY SUPPLY DEV TEAM+MARKETING TOKENS

Reflect and Automatic Liquidity Mechanism

TRAINTOKEN will redistribute 5% of every buy and sell order back to TRAINTOKEN holders without the need to do anything.

EVERYONE HOLDS, EVERYONE WINS.
